providing a chlorine plant for closepet water Works

From

The Dy comm Bl'ore Dt

No. M6-158/1495/48 49 Dt 5 10 48

Requests Sanction for a grant of Rs 1,745/ from the water supply Fund for 1948-49 towards meeting half the cost of the above work estimated at Rs 3490/ as Resolved by the closepet Town Municipal Council at its' meeting held on 20 6 48

1) The present System of adding Bleaching powder Solution for purification of water being defective and not uniform, an estimate for Rs 3,490/ is got prepared by the Sanitary Engineer for the installation of a chlorine plant at closepet

2) Though under Sec 55(g) of the M T M Act the Responsibility for the maintenance of the water Works rests with the Municipality having Regard to its' poor finances the Municipal Council has Resolved on 20 6 48 to Request for a Govt grant equal to half the cost and to meet the other half from out of the closing balance of the Municipality

3) It is Seen from the figures the past three years furnished by the D e Nath Nashi the Realisations from water Cess and

providing a chlorine plant for closepet Water Works

Water fees fall for short & the expenditure incurred on maintenance

4) The actual figures of the Budget of the Municipality for 48-49 are as follows:-

Opening Balance	Rs 15,780/
Receipts	Rs 102390/
Total -	Rs 1,18,170/
Expenditure -	Rs 102067/
Closing Balance	Rs 16103/

5) As per the Register of Grants maintained in the office it is seen that no grant is given to this Municipality during 47-48 as well as so far during 48-49

6) The Recommendation of the D.C Bijapur Dt for giving a Grant of Rs 1,7457 to meet half the Cost of the above work is for

To

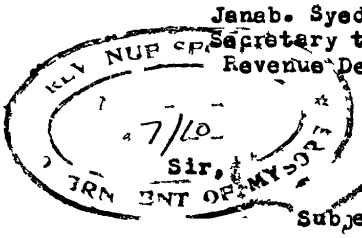
Janab. Syed Abdul Aleem, B.A.,
Secretary to Government of Mysore,
Revenue Department, BANGALORE



Sir,

Subject: Providing a Chlorine plant for Closepet water works.

I write to state that the Sanitary Engineer, Bureau of Sanitary Engineering, Bangalore has got prepared an estimate for Rs.3.490/- for providing a chlorine plant to the water work at Closepot. The necessity for this machineary is reported to be that the present system of adding bleaching powder solution in the process of purifying water is both defective and not uniform and as such by installing a chlorine plant, the existing defects, can be rectified and the process of chlorination moderised

The Municipal Council, resolved at their meeting held on 20-6-48, to approach Government for sanctioning half the cost of the works (Rs.1,745) as a water supply grant and to meet out of its own funds the remaining amount. A report was received in this office in this behalf on 9-7-48 The Council was however told that the task of maintaining the water works in an efficient condition was devolving on itself under section 55 (g) of the Town Municipal Act and as such the recommendation could nc be made.

It is now reported by the President, that the Council express inability to bear the entire cost, in view of the fact that there are several other works to be executed at a heavy cost. Further the resources of the Municipality being limited and the expenditure increasing, it is said to be difficult for the Municipality to manage its affairs. But as the proposed equipment is found to be absolutely necesser in the interest of the health of people, the Council are agreeable to bear half the cost of the equipment to be installed.

From the enclosures, it will be noticed that the Municipality is spending a larg sum of money annualy for the maintenance of the water works and the figures of income and expenditure for the three years past as per margin show that the water works cost the Municipality morethan revenue derived by water cess and water fees put together.

Under the above circumstances, I recommend that as special case, Government may be pleased to sanction a water supply grant of 1,745/- to Closepet Municipality for the above work, and the Municipal quota (Rs.1,745/-) will be met out of its closing balance Orders of Government may kindly be communicated very early. P T.O

very early.

Margin *

Year	Income by levy of water cess and fees.		Expenditure.
1945-46	3583-13-0		4,166-0-0
1946-47	2,786-10-0		4,275-0-0
